

## Downtown Tacoma Transit Service Requests

Pierce Transit tracks all request for new and expanded service. Because resources are not available to operate every requested route, possible improvements are prioritized on the basis of anticipated ridership, other public benefits, financial capability, and operational feasibility. The following list summarizes major service improvement requests that Pierce Transit has received.

1. All-day service along Dock Street.
2. Service linking Downtown Tacoma with Ruston Way
3. All-day service along E. 'D' Street
4. Commute hour service to the Urban Waters facility
5. Expand services to Frank Russell along A Street
6. Move buses off Pacific Ave between 17<sup>th</sup> & 21<sup>st</sup>
7. More frequent and consistent service along St. Helens in the north part of the CBD
8. Shuttle bus or cable car service linking Pacific Avenue with Upper Tacoma and the County-City Building
9. Service that allows UWT students to travel up and down the hill as the college campus expands
10. All-day service linking the Tacoma Dome Station with Upper Tacoma
11. Extension of most transit routes that end in Downtown Tacoma to major worksites in Upper Tacoma
12. Express bus service linking the Point Defiance Ferry Dock with Downtown Tacoma
13. Express bus service linking City Hall with the TPU Headquarters at 35<sup>th</sup> and Union
14. Express bus service linking Lakewood with Downtown Tacoma
15. Express bus service linking Gig Harbor with the Tacoma Dome Station
16. Express bus service traveling directly from Gig Harbor to Upper Tacoma employment sites without going through the CBD first
17. Express bus service linking Parkland/Spanaway with Downtown Tacoma
18. More frequent service on most Downtown-area bus routes
19. Operation of a free-fare system throughout the Downtown area
20. Construction and operation of light rail/streetcar services that link outlying neighborhoods with the Downtown
21. Operation of special event services directed towards Downtown events
